

New York Commercial Division Rule 11-e(f) Addressing Document Review

Rule 11-e(f). Responses and Objections to Document Requests

.....

(f) The parties are encouraged to use the most efficient means to review documents, including electronically stored information (“ESI”), that is consistent with the parties’ disclosure obligations under Article 31 of the CPLR and proportional to the needs of the case. Such means may include technology-assisted review, including predictive coding, in appropriate cases. The parties are encouraged to confer, at the outset of discovery and as needed throughout the discovery period, about technology-assisted review mechanisms they intend to use in document review and production.
